For the past 2 decades, Strata Logistics have been providing quality primary and secondary logistics services to companies large and small across Southern Africa.

You can rest assured that your business is safe with us. Our customised, holistic transport and delivery solutions, coupled with dedicated drivers, top class vehicles and real-time monitoring systems ensure the perfect mix for a fast and reliable delivery.

### The Strata difference

#### Our Experience

We have over **30 years** of collective experience in the industry and literally hold hands with our clients as we improve their delivery processes and delivery times.

#### Our Service

The difference between Strata Logistics and other linehaul logistics companies, is that Strata Logistics really are a one-stop-shop offering customised, bespoke logistics solutions to our clients. We want to soon be recognised as the preferred supplier of reliable, bespoke logistics and linehaul solutions in RSA.

- Dedicated Linehaul Solutions**
- Same Day Express Courier**
- Special cargo solutions**
- Direct dedicated loads**
- Contract Vehicle Solutions**

### Routes

We act as a valuable extension to our clients businesses and ensure we tick all of the boxes to provide a professional, holistic and all-inclusive solution. Based in Gauteng, we service all major centres in RSA.

12 trips a day to Cape Town | 4 trips a day to East London | 4 trips a day to Port Elizabeth  
4 trips a day to KZN | 2 trips a day to Nelspruit | 2 trips a day to Rustenburg

### One-stop-shop

We believe in really partnering with our customers, understanding their businesses, mapping out all logistical possibilities and formulating measurable delivery plans together.

### Our Fleet of Trucks

We are able to support our customers varied needs with a wide choice of vehicle types and sizes which we have built up over the years.

Our fleet of 75 vehicles consists of quality Iveco Turbodaily and Isuzu Trucks that are serviced and maintained regularly.

### 24/7 Live Tracking

All vehicles are equipped with fire extinguishers, fleet tracking systems and driver monitoring systems.

 **DriveCam** – This system captures speed, fuel & vehicle data and allows you to know exactly where and how your load is doing at all times.

### Our Drivers

Our drivers are at the heart of our business. All Strata drivers are pre-screened and put through an extensive skills test.

### Our Client Base

We service a blue-chip client base and believe in creating mutually beneficial lasting partnerships. Some of our clients have been with us since inception.
